

Cookeville High School Lacrosse Louisville Trip Rules of Conduct

- **Players are representing Cookeville High School and must behave accordingly.**
- **Players are expected to be on time for scheduled activities and agree to join the team for scheduled activities.**
- **The hotel has a curfew of 10pm for teams staying at the facility. Lights out will be 12am.**
- **Players are expected to rise no later than 8:00 am.**
- **Bob is the bus driver, not the maid. Clean up your mess.**
- **Players will not throw things out of the bus windows.**

We want this to be a fun trip as well as beneficial for team building and lacrosse development but there are behaviors that will not be tolerated and will result in a player being sent home at the parent's expense.

These are examples of behavior that will result in dismissal from the trip:

- **The possession and/or use of illegal drugs or alcohol**
- **Stealing, vandalizing, fighting, etc.**
- **Having girls/women in your room.**

We will be checking rooms to make sure players are in their rooms at curfew or any other time we deem necessary. We also reserve the right to check luggage or bags as we deem necessary.
